The DIMMER VIEW

by Max Goodwin

A Goose for a Shawl

Bankers of several Southern California savings and loan associations are distributing an article which describes, as well as anything we've seen, the idea behind economic values in a free society.

The piece was boiled down from "Freedoms Theory of Value", by Leonard E. Reed after it was published in THE FREEMAN.

The article has something to say for those who would gather possessions as a result of their labors as opposed to those who reject this philosophy by banking more determinedly on a welfare chit.

This is the piece being distributed currently:

The possessions one accumulates are a reflection of his values.

What a man owns — what is his own — is what he is. One's personality and property reflect his subjective values. How does this subjective theory of value determine the market price? Here it is:

The exchange of any loaf of bread, or any painting, or of any day's work, or of any goods or service is whatever another or others will offer in willing exchange.

When Mrs. Smith swaps a shawl for Mrs. Jones' goose the value of that shawl is that goose and vice versa. Yet each lady gains in her own (subjective) judgment. Were this not a fact, neither one would have willingly exchanged.

This correct theory of value is opposed by the objective theory, that is, by arrangements where someone else, by some standard of evaluation other than your own, attempts to determine the value of goods and services to you. An understanding of this fallacious objective theory and an ability to identify it in its many manifestations helps to accent the importance and validity of the subjective theory in practice.

The classical example of the objective theory of value is the labor theory of value. This theory merely affirms that value is determined by cost of production or, stated another way, by the amount of energy expended.

Pursuing the labor theory to its logical and absurd conclusion, a mud pie would have the same value as a mince pie, provided that they were produced by equal expenditures of energy. If a pearl diver came up with a pearl in one hand and a pebble in the other, they would be of equal value!

Of course people will not exchange as much for a mud pie or a pebble as for a mince pie or a pearl. So how does this theory find expression in practice? Simply use the power of government to take from the mince pie makers and give to the mud pie makers!

Karl Marx gave the formula: "from each according to his ability, to each according to his need."

Would you willingly exchange your income or capital for farmers not to grow tobacco, to rebuild someone else's downtown, to put men on the moon, to underwrite power and light for the people of Tennessee Valley, to pay people not to work?

If your answers are negative, you can take the political applications of the objective theory from there. Examples abound by the thousands.

It is a gross understatement of the case to say that freedom rests on the practice of the subjective theory; subjective value judgments, when honored, are freedom!

More Results Announced From Southern Cal Expo

More results from the Southern California Exposition judging were announced last week, with Charles H. Splinter, of Lemon Grove, adding 108 more ribbons to his total.

Among his recent awards were 40 blue ribbons and two awards for best dahlia bloom specimens.

Mrs. Splinter also added to her total with 32 more ribbons, including 16 blue ribbons and two awards for best dahlia arrangements. Mr. and Mrs. Splinter's ribbons were all in floriculture judging.

Several other local residents added to their award totals. Sheri Lynn Snively, of Jamul, earned ten more awards, including six first places. Theresa Traughber, of Spring Valley, earned nine more ribbons, including five blue ribbons.

Others who received additional ribbons at the fair include Julia Ek, of Spring Valley, two more; Denise Rudd, Spring Valley, one more; Patricia Rudd, Spring Valley, one more, Diane Allen, Spring Valley, one more; Elizabeth Allen and Paula Davis, both Spring Valley, two more each; Linda Olsen, Spring Valley, two more; Rebecca Nierodzinski, Jamul, one more; Debra Allen, Spring Valley, one more; and Linda Ballou, Jamul, one more.

Winners announced for the first time this week include Arthur Troesch, Jamul, five ribbons, including two reserve champions; Vera Naffziger, Jamul, three ribbons, all first places; Michael Naffziger, Jamul, three ribbons; Claire Naffziger, Jamul, one ribbon; Jimmy Nicolau, Jamul, four ribbons; June Nicolau, Jamul, one ribbon; Dale Troesch, Jamul, four ribbons; and Virginia Ballou, Jamul, one ribbon.

Rounding out local winners announced this week are Claudia Bess, Spring Valley, nine ribbons, including two first places and two reserve champions; Phillip Bell, Jamul, four ribbons, including three blue ribbons; Andy Carlin, Jamul, one ribbon; Doris Kellhofer, Spring Valley, two ribbons; Gloria Dawn Precourt, Spring Valley, three ribbons; B. Wells Gorman, Jamul, one ribbon; Jane Gorman, Jamul, three ribbons; and Karen Eyler, Lemon Grove, one ribbon.

Konstanzer Named To AACP Membership

KANSAS CITY, MO. — Walter Konstanzer, M.D., Lemon Grove has been elected to active membership in the American Academy of General Practice, a national association of more than 31,000 family doctors.

As a member of the AAGP, Dr. Konstanzer will be required to complete 150 hours of postgraduate medical study every three years. The program, unique among national medical associations, is designed to help member physicians keep abreast of the latest scientific developments in medicine. Founded in 1947, the AAGP is the country's second largest national medical association. It has been instrumental in the establishment of a new primary specialty in family practice.

The Academy's postgraduate program is the foundation of eligibility for family doctors now in practice who appy for certification in the new specialty.

Financial Aid Sought For Youth Center

Local individuals and several local service clubs are underwriting the temporary operation of the Lemon Grove Youth Center at 3146 School lane, Len Farness, a Center board member said this week.

The Center, which was opened for junior high school youths at vacation time, suffered operational difficulties earlier this month but now appears to have overcome most of them.

The facility was closed for one week but opened Friday for its normal Tuesday, Friday and Saturday operation. It will hopefully open indefinitely, Farness said. Grant Underhill will remain as youth director.

The Center was opened originally to provide an outlet for energy youngsters stockpile during vacation time. It was very popular with the youngsters and was frequently filled to capacity.

The only obstacle remaining is financial, Farness said. "We need pledges from people who will contribute on a regular basis," he said. "Without such commitments the Center will not be able to remain open."

Pledge cards are available at the Center, or at Len's Men's Wear, 7763 Broadway, he said.

Assessed Valuation Up Sharply

SAN DIEGO (CNA) — The La Mesa Spring Valley and Lemon Grove School Districts had good gains in assessed valuation this year, according to figures released by County Auditor Gerald Lonergan.

La Mesa-Spring Valley's valuation rose 23.28 percent and $31,653,312 to a total of $167,575,697.

Lemon Grove had an increase of 15.77 percent, upping the valuation $5,772,545 to $42,370,139.

The Grossmont High School District had a percentage increase of 20.24 and a dollar increase of $76,302,713 to the new secured total of $453,251,901.

Dehesa had a reduction in valuation. It dropped .44 per cent bringing the total to 3,163,000. Smaller gainers included National City 8.18, Borrego Springs 1.59, Alpine 1.81, Ramona 2.17 and Oceanside, 5.12.

Big gainers included Julian 34.77 and Rancho Santa Fe 33.47.

Board Kills Bond Issue For Hospital

The Grossmont Hospital District Board of directors voted last week to accept a recommendation by a citizen's committee against holding a multi-million dollar issue in October.

Directors last month indicated the possibility of the bond election to replace a Joint Powers Agency which was approved last year. The election would have taken place October 12.

The bond election had it passed, would have saved the district an estimated $3.9 million over a 20-year period on the $10.5 million hospital expansion project.

LG Fire Report

The Lemon Grove Fire Department, for the week of July 5-12, made ten fire runs and four rescue runs.

A flooded carburator on a car at Imperial and Broadway, caused about $100 damage to the engine compartment and parafin wax overheating on a stove at 2023 Washington, caused about $50 damage to the stove.

Ambulance Fee Hike Set By S.V. Fire Department

IDEAL MISS — Debbie Boyer, the 16-year-old daughter of Mrs. Jean Boyer, of 8885 Orville st., Spring Valley, was crowned Ideal Miss of San Carlos June 27.
Miss Boyer won the competition over more than 50 other girls from all over the county. Judging was based on sports wear modeling, personal interview with judges, talent, and modeling of formals.
Miss Boyer sang "This Gal's In Love With You" for the talent portion of the competition, which counted as one-third of the total judging.
The next stop for the Mt. Miguel High School senior will the World's Ideal Miss title in Baton Rouge, Louisiana, July 18 through 22.

The Board of Directors of the Spring Valley Fire Protection District announced this week that, effective August 1, charges for ambulance services will be revised.

Currently, the abulance service is free of charge to residents of the district, and costs non-residents $20 for an ambulance call. Beginning August 1, however, residents will pay $20 for a call, while non-residents will pay $30.

The Board listed increases in operational costs as the reason for the change.

Last year, the department answered 483 rescue calls, including 246 for the period up to July 12. So far this year, 318 calls have been answered, and about 600 is the projected figure for the year.

The operational budget this year is well over $500,000, an increase of about $100,000 over last year. Last year's tax rate was $1.047, and it is expected to be slightly higher this year.

This year's budget will go toward pay increases, added personnel, a new fire truck, and maintenance of existing equipment and facilities.

Comparing the Spring Valley Fire Department with the Lemon Grove Department, a different picture is shown.

This year's budget in Lemon Grove will be less than last year's, and the tax rate could drop, also. Last year's tax rate was about 81 cents per $100 assessed valuation, while the budget was over $300,000.

A reduction in personnel and increased assessment is expected to bring this year's tax rate down slightly, Chief Fred Dickson said, in spite of payments for a new engine and pay hikes.

A spokesman for the Spring Valley Department said that the number of rescue calls will probably not decrease when the new charges go into effect.

He said that the Department would probably answer more rescue calls because of an increase in population and new developments.

Fire Chief, Wife Hurt In Mishap

Spring Valley Fire Chief Frank Berger and his wife, Lucile, were injured in a two-car accident at Gold Beach, Oregon, according to Verne Wattes, who talked to Berger by telephone at Curray Beach County Hospital.

Watts, a past president of the Spring Valley Kiwanis Club, said the couple was taken to the hospital following the mishap early in the afternoon July 8.

In his conversation with Watts, Berger said he was towing his camp trailer heading north, followed by three automobiles. He attempted to make a left turn into a rest area when a fourth car passed the other cars and crashed into the Bergers, completely demolishing their car and trailer.

Berger received bumps on the head and was suffering from a stiff and sore back, but there were no broken bones, he reported. Mrs. Berger received several bruises.

The Bergers were going to visit relatives, but the accident caused them to postpone the trip. A report from the Spring Valley Fire Department said the couple was back in San Diego, having arrived by plane Tuesday night.

Board Gives Green Light To Budget

The Grossmont Union High School District Board of Trustees, at its July 6 meeting, approved a preliminary budget for the school year 1971-72 of $24.6 million.

The budget, up approximately $2 million from last year's, does not include increases in pay for employees or improved fringe benefits, and reflects no increase in the tax rate.

It is possible, however, that employee salary increases and a tax rate hike could be included in the final budget, which trustees are expected to adopt at a meeting August 2.

Also at the meeting, trustees voted to allow a 4% cost of-living raise for classified employees with the understanding that the figure could be reconsidered when deliberations on the final budget take place.

At its annual organizational meeting, which preceded the business meeting, the board elected Ken Overstreet to the position of President of the Board and Robert Andreen to the position of Clerk of the Board.

Overstreet replaces retiring board president George K. Birch, while Andreen takes over for Portia Goode, who also retired this year.

Interim Zone Hearing Put Off 'Til Sept.

SAN DIEGO (CNA) — A scheduled hearing on the rezoning of large portions of Lemon Grove fell apart yesterday when only two members of the County Board of Supervisors were on hand for the meeting.

The rezone, as an urgency measure, would have needed four affirmative votes to pass.

Supervisors Harry Scheidle and Henry Boney were present. Supervisor Jack Walsh arrived at the meeting about an hour after it started. He and the other members voted to reset the hearing for September 15 at 9:30 a.m.

The substantial crowd that showed up was obviously disgruntled that no proceedings would be held. However, there were some sentiments for a continuance. Dr. Frank Gigliotti asked for 30 days before county action was taken.

The proposed interim rezone would take all R-2 and R-2-A land in Lemon Grove and convert it to R-1-A. Essentially, this woud prevent the construction of more duplexes during the year the ordinance would be in effect.

It appeared that many of those in the audience were in opposition. Robert Kelsay, chief of the county's community planning, took the opportunity to explain the community planning efforts and urge the citizens in the audience to help with community planning.

Interest has been lagging in the community plan, he said, with only about 16 or 17 people attending the regular bi-weekly meetings of the executive committee.

The next meeting of the Lemon Grove Planning Association's executive board will be July 22 at 3 p.m. at Golden Avenue School on School lane, one block east of Imperial ave., on Golden ave.

Kelsay said there are other communities asking for community planning and that only active associations can be supported by the county. The citizen's planning groups are open to everyone with an interest in the community.

Several persons raised a point of whether the executive committee should meet at night. Kelsay said that was a matter for the committee to decide itself.

Helix Irrigation District Board Approves $5.8 Million Budget

Members of the board of directors of the Helix Irrigation District last week approved a $5.8 million budget for fiscal year 1971-72.

Although this year's budget is more than $100,000 higher than last year's, the district tax rate is expected to be reduced this year, as it has been for the past two years.

The decrease in the tax rate is part of the district's program to phase out tax assessment money and transfer obligations to the water users.

Tax money this year is expected to generate about $250,000, compared to last year's figure of about $300,000. During 1969-70, about $320,000 in tax money was used.

Increases in this year's budget resulted from higher costs for water, improved fringe benefits for employees of the water district, and increases in pay for employees.

Salary increases amounted in a $64,000 increase in the budget, calling for a 4.5% cost-of-living increase and a 1.2% increase, which is the normal increase for raises based on added experience of employees.

Increased life insurance coverage for employees also added to the budget.

Although the budget has increased, and the tax rate is expected to decrease, the district's water rates will not necessarily be increased this year, according to a spokesman for the district.

The operating budget does not include bond payments and other non-operational costs, which tax money is used to pay. As these payments are met, the money needed for them decreases along with the tax rate.

A study will be made by the district in the fall to determine whether or not water rates will be increased. Any change in water rates would not take effect until the first part of 1972.

SUPERVISORS EYE SPENDING

Budget Trimming Time Brings Sweat and Queries

By Dick Sims

SAN DIEGO (CNA) — Supervisor Jack Walsh found out recently that the county as an entity is getting hosed by the San Diego Municipal Court.

According to his figuring, the court produces $2.8 million for San Diego, Chula Vista and Imperial Beach. The cost to the general taxpayer is the same figure, Walsh said in a letter to the board of supervisors.

"Incredible," said Jack.

It's a good word and for at least one time Walsh agrees with former supervisor De Graff Austin who time and time again complained about the county's meager share of the municipal court revenue.

When Chief Administrative Officer Fred J. Morey brought out his preliminary budget, the increase in the tax rate was 86 cents per $100 of assessed valuation, although this was a cautioned guess.

With administrative cuts, approved by the board, and an assessed valuation jump of 17 per cent the rate increase (from $2.745) was down to 30 cents.

Walsh and his co-ex-San Diego city councilman Harry Scheidle along with National City's supervisor Jim Bear have cut $755,000 out of the budget of the Sheriff's Department.

The cut, according to Sheriff John Duffy, will mean that some 30 persons will be cut from county jail as extra help

200 Units Set For Rancho SD In September

An agreement to take part in the master planned construction of Rancho San Diego, a 6000 acre community of single family homes, townhouses, fourplexes and garden apartments near Casa de Oro, has been announced by Braewood Development Corp.

Lewis R. Maler, president of the Los Angeles-based construction company, disclosed the purchase of land for the building of 98 single family residences and 115 townhouses in the unique San Diego community.

Three and four bedroom homes will be priced from $24,000 to $30,000 and two and three bedroom townhouses from $19,000 to $22,000, Maler said.

Construction is expected to start in September with models ready for public view in December.

Located in the rolling hills of the Sweetwater River Valley, Rancho San Diego will consist of six recreation and space-oriented villages. Included in the development will be four lakes, two golf courses and various community and recreational centers.

Braewood will be making its first entry into the San Diego housing market. The company has extensive operations in California, Texas, Arizona, Nevada and Oregon.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

Selecting the right article to be used with Spanish words requires some discretion. Basic guidelines tell us that words ending in "o" as in "saco" (coat) are used with masculine articles "el" (the) and "un" (a). This is why we may say "el saco" (the coat) and "un saco" (a coat). Feminine words usually end in "a" as in "casa" and appear with the feminine articles "la" (the) and "una" (a) as in "la casa" (the house) and "una casa" (a house).

Plural forms of the masculine articles are "los" (the) and "unos" (some. Thus we may say "los sacos" (the coats) and "unos sacos" (some coats). Feminine plural articles are "las" (the) and "unas" (some). These may be seen in the expressions "las casas" (the houses) and "unas casas" (some houses).

Articles "la" (the) and "el" (the) occur with somé Spanish words and the related article is not used with the English translation. For example, "la" is used with abstractions as in "la libertad." Translation for "la libertad" is "liberty." It appears without the article in English. Thus "La libertad es necesaria" would be translated "Liberty is necessary."

Definite articles "el" (the) and "la" are used before a title when we speak about a person. For this reason we might refer to "El Senor Gomez" and "La Senora Sanchez" when we are talking about them. In translating the same title we drop the article "the" and simply say "Mr. Gomez" and "Mrs. Sanchez." When we speak directly to these same people we address them without the articles "el" and "la" and call them "Senor Gomez" and "Senora Sanchez."

"El espanol es bonito" (Spanish is beautiful) is a phrase that demonstrates how the article "el" is used before the name of a language. However the article is not used when the prepositions "de" (of) and "en" (in) appear befor the language name as seen in "Escribo en espanol" (I write in Spanish) and "Mi profesor de espanol." (My Spanish teacher).

Trinity Group Plans August 'Work Tour'

"Slave Days" of the Senior High group of Trinity Presbyterian Church is continuing throughout July, as a means of the group raising money for their annual Senior High "Work Tour," in the San Francisco area.

This year's Work Tour will begin Aug. 8 with 30 youngsters and five advisors. Three days will be spent in San Francisco cleaning a house for runaways, aiding retired persons in a Chicano area and helping a Southern Baptist Church.

The group then leaves St. Paul's Presbyterian Church for Monte Rio, where they will do scraping, painting and weeding, for three days. Following church and leisure, a day will be spent in Monterey sightseeing and swimming.

Cranston Bill Would Aid Vets Seeking Jobs

Senator Alan Cranston introduced a bill designed to make it easier for Vietnam war veterans to find jobs.

Called the Veterans Employment and Readjustment Act of 1971, the measure would give Vietnam veterans job preferences with all government contractors and subcontractors, and would direct the Veterans Administration to "develop and implement an affirmative action plan" to place more veterans in federal positions.

Job preference would also be extended to veterans of all wars with service-connected disabilities.

Cranston, who conducted hearings last year on the plight of unemployed veterans, is chairman of the Veterans Hospitals and Health Subcommittee.

Dear Editor:

This communication is related to two of your front page articles recently: July 8 (CNA) headlined "Third Level of Government Eyed", and July 1 "July Fourth Is Time To Recognize Freedom".

If we need and want a countywide authority such as has been proposed for the San Diego Council of Governments (SANCOG), we could altar the composition of our County Board of Supervisors so it would be similar to that proposed for SANCOG (weighted representation from unincorporated area and each incorporated city) and have that one board perform all of our countywide governmental responsibilities.

But regardless of what happens regarding SANCOG, or related CPO (Comprehensive Planning Organization), a fundamental delinquency in government within San Diego County is in need of corrective action. Freedom, of the constitutional variety, is not being entirely experienced by people who reside in unincorporated areas in San Diego County.

Presently our countywide Board of Supervisors performs the functions of two distinctly different levels of government: countywide government, and local government of unincorporated area exclusively.

For its countywide responsibilities, the composition of the Board of Supervisors, properly, is countywide. But because of its countywide composition (which includes both incorporated cities and unincorporated area) it is not constituted lawfully for the responsibilities of local government applicable in unincorporated area exclusively, such as it now performs, including enactment and enforcement of unincorporated area ordinances on subjects such as zoning, noise, shooting, flies, etc.

Accordingly, relative to the portion of local government that is applicable in unincorporated area exclusively, residents in incorporated cities in San Diego County now experience a relationship to residents in unincorporated area comparable to that of the British with the residents along our east coast prior to the Revolutionary War.

Therefore, instead of a duplicated or third level of government, we need to fill the void in local government at the level of the governments of incorporated cities by effecting, in unincorporated area, constitutional "republican form of government" (U.S. Constitution Art. 4, Sec. 4) "deriving . . . just powers from the consent of the governed" (Declaration of Independence 3rd sentence). This probably is our most delinquent need in government within the boundaries of San Diego County.

After all, our Declaration of Independence was adopted July 2, 1776, (195 years ago); our war for independence was, in effect, won when Great Britain's General Cornwallis surrendered at Yorktown October 19, 1781 (190 years ago); and our U.S. Constitution was effectively ratified June 21, 1788 (183 years ago).

Dear Editor:

A neighborhood carnival against muscular dystrophy will be held July 23 at 1827 Dartmoor dr., Lemon Grove. Tami, Scott and Patrick Williams will serve as ringmasters, assisted by Laura Mae and Jimmy Boone, Dale and Sherry Ficken, Lori, Lynn and Peggy Capps, Manuel, Cathalina and Chata Huidor, and Laurie and Susie Charles.

The carnival, which begins at 2 p.m., will feature such games as "penny pitch, "sponge toss," "bean bag toss," "pot ball," "marble shoot," "fishpond," "treasure chest," "lollypop tree" and "Pachinko," a Japanese game.

This is the second year the children have had a dystrophy carnival and have added more games, prizes and refreshments.

We would like to invite all pre-school and elementary age children, there will be adult supervision.

There is no admission charge and each game is 5 cents. For information please call 460-0177.

Sincerely,
Mrs. Charles Williams

Dear Editor:

In recent weeks much confusion and anxiety has been generated within the community over the operation of the recently established Junior High Youth Center, located at 3146 School lane. Rumor, distortion of facts, and a clear lack of understanding concerning the purpose of the program so characterized the developments within the first month of operation, that the center was closed by June 25.

Differences of opinion between those observing the operation and those intimately involved in the operation evolved because of a failure to discuss such questions as: 1.) For whom has the Youth Center been established?, 2.) What then, are the function(s) of the Youth Center?, 3.) What are the goals of the program?, and most importantly, 4.) What means will be used to achieve those goals?

Although we were only open one month, the need for such a youth center in Lemon Grove clearly evidenced itself. Thus with the aid of concerned individuals in the community, we have re-opened as of July 9. We would like to take this opportunity to invite the public to the Youth Center July 21 at 7:30 p.m. for a discussion of these concerns. Staff and youth members will be present along with guests from other youth agencies in San Diego to communicate some of their ideas and answer questions.

The ultimate purpose of this meeting is three-fold: 1.) To clear the air of recent misunderstandings, 2.) To facilitate an understanding of the program (e.g. What is a realistic mode of operation in terms of the needs of the youth involved) and, 3.) To make this a true community project by beginning to open the lines of communication between the community-at-large, Youth Center staff members, and the participating young people from Lemon Grove.

If you have any questions concerning this meeting call the Center any Tuesday, Friday, or Saturday at 461-5160.

Thank-you for your interest.
Grant Underhill,
Director, Lemon Grove Youth Center

Avocado Growers Gain

he California Avocado Packers Association, an organization of six independent avocado packers, reports it has returned to its growers 1.56 cents more per-pound than other packers during the 1971 first quarter.

Out of a total of 36,017,080 lbs. of avocados marketed by the entire industry, CAPA handled 13,230,376 lbs., as compared with 22,786,704 lbs. by others . . . CAPA reports they realized a profit of 8% more money for their growers.

YUM YUM — Bob Miller, left, Patty Leash, and Mrs. Miller, put the finishing touches on a wall painting inside the Yum Yum Shop, an ice cream parlor that opened this week in Lemon Grove. The local shop will afford customers an opportunity to enjoy old fashioned ice cream dishes as well as coffee and cold drinks from 10 a.m. to 11 p.m. seven days a week. The shop is located in the new Alpha Beta Shopping Center on Broadway near Massachusetts.

This Sunday

Let no one imagine that it is a strained and unnatural thing for one to pray. The contrary is much closer to the fact. It is for more unnatural for one not to pray. Prayer is one of the most natural of human instincts. Prayer is man's response to the divine will.

'Oliver' Set Tuesday At Wegeforth Bowl

Rehearsals, scene building, costume fitting are going on nearly around the clock by cast and crew at United States International University's Center for the Performing Arts in preparation of the opening of their second Starlight Musicals at the Zoo production of the summer, "Oliver!", set for 8:30 p.m. Tuesday in Wegeforth Bowl in the San Diego Zoo.

Director Charles Vernone has cast a quartet of noted professional musical performers in starring roles: named a brace of talented San Diego youngsters in featured parts; filled the balance of the cast of nearly seventy with local actors, singers, dancers of all ages and types.

Starring as Fagin is Ben Wrigley, who has been regaling audiences for 25 years on stage, in night-clubs, on television. His greatest triumph of an illustrious career has been his own, inimitable portrayal of Fagin; a prancing, swivel-hipped characterization of the outrageous but lovable crook.

Miriam Birch plays and sings the role of Nancy. Miss Birch is an equally talented writer and television producer. Recently she wrote a segment for "Animal World" on rare animals which was filmed at the San Diego Zoo.

Leon Charles, whose craggy face will be familiar to most audiences because of his years of work in motion pictures, stage and television, plays the role Mr. Bumble.

Jed Allan, a favorite of grown-ups and children alike who remember him fondly for his two years appearing as The Ranger on the "Lassie" show, portrays Bill Sikes.

Scott Del Nero, now 12 years old who last year played in Starlight production of "Mame", plays and sings the title role of this show. He attends Spring Valley Junior High.

Tickets for "Oliver!", which runs for 12 performances through August 1, with no show July 26, can be purchased at the Starlight Musicals at the Zoo bx-office, 1601 Third ave., from 9:15 a.m. to 5:15 p.m. daily and noon to 5:15 p.m. Sunday, or by phoning 232-2136. Tickets can also be purchased at all Highlander Men's Stores and Metro -ticketron agencies. On performance nights, tickets can be purchased at the Zoo box-office after 7 p.m.

Troop Holds Campfire Ceremonies

Spring Valley Girl Scouts in Troop 946 welcomed new members of the troop in campfire ceremonies recently at the site of the new Spring Valley Park.

The new girs in the troop were Junior Girl Scouts, stepping into the Cadet Girl Scout troop. On hand at the ceremonies were Cadette Troop leaders Jeri Morgan and Bernice Weibel, Junior leader Margaret Fisher, and assistant Cadette Troop leader Kay Garner.

Also conducted at the affair was a court of awards, at which seven young ladies efficiency badges, and one girl, Jeri Morgan, was awarded the first class patch, the highest honor a Cadette Scout can earn.

Following ceremonies, a marshmallow roast took place, along with group singing.

College Teacher Pay Hike Sliced to 3%

Trustees of the Grossmont Community College District Monday night added cuts to the 1971-72 school year budget.

Hardest hit were the certificated employees, who were denied a 6% increase in salaries. Teachers will receive a 3% hike.

The classified employees, asking for the same 6% increase, will receive a 5% increase.

Also ordered at the meeting was a feasibility study of operating the college on a 12-month basis, which would afford the district a chance to serve more students and put teachers on early contracts.

Much of the time at the meeting, which lasted past midnight, was spent discussing what should be done with some $360,000 the district will receive as a result of higher assessments.

Superintendent Robert Burnham said most of the money should be used to build up reserve funds while trustee Karl Tutle argued the money should be returned to the taxpayers in the form of a tax rate decrease.

The impasse was for the most part resolved when trustees lobbed $300,000 from the budget and gave teachers only half the raise requested.

In other news from the college, it was learned Monday afternoon that the district will receive $923,374 in state aid for the purchase of property for a second-campus site.

The decision to allocate that money to the district saved the district money that would have been needed to put a hold on the proposed Monte Vista Ranch site where the new campus will be built.

Snowmobile Dealers Must Have Licenses

Effective last week, any snowmobile dealer who has not already obtained a dealer's license and who intends to continue selling snowmobiles in California, must have a license from the Department of Motor Vehicles.

Director Robert Cozens of the Department of Motor Vehicles reminded snowmobile dealers that a moratorium on obtaining a dealer's license expired on June 30.

One of the first bills enacted at the 1971 session of the State Legislature countermanded, until July 1, the enforcement of a snowmobile dealer licensing law which had been passed last year. Signed by the Governor as an urgency measure April 26, the bill allowed snowmobile dealers to complete necessary administrative and inventory adjustments before becoming licensed.

Unlicensed persons who desire to enter or remain in the snowmobile dealer business should contact their local DMV office for application forms and information.

Operating as a snowmobile dealer without a license is now unlawful.

August 2 Is Deadline For Employers

Monday, August 2, is the deadline for filing California Unemployment Insurance wage reports and contribution returns for the second quarter of 1971, Hagen Christensen, Tax Administrator for the State Department of Human Resources Development in San Diego, reminded employers.

Employers who fail to file wage reports and pay second quarter taxes on or before August 2, will reduce their chances of receiving a lower rate next year. Christensen pointed oul that it is not possible to use payments made after August 2 in computing employer tax rates. In addition, penalty and interest will be charged if the report is filed after the deadline.

YMCA Sets Tiny Tot Swim Classes July 26

The Heartland YMCA in La Mesa will offer its next session of Tiny-tots swim classes beginning July 26. Tiny-tot swim classes are open to any boy or girl between the ages of 3 and 6 years.

'Gadzooks, The Villian' Set July 23

The heart-stirring melodrama "Gadzooks, the Villain", or "Will no-one save our Nell?" will open at the VFW Hall, 192 E 16th st., National City, July 23 at 8 p.m.

That night, and every Friday and Saturday through August 14, Chula Vista Playhouse presents the uplifting saga of villainy foiled and virtue triumphant.

Judy Milchen plays the beautiful, beseiged heroine Nelly Dean, with Marguerite Claborne and Al Bradt as her ambitious parents. The stalwart hero, Valentine Humdinger, will once more be faced with dirty work at the crossroads in the shape of that arch-villain Lucifer Liverworst; Don Aills commands admiration and respect as the poor but honest Valentine, while Carlos McCall earns a steady rain of peanuts, boos and hisses as the dastardly Lucifer.

Jim Berry is Master of Ceremonies, and Curtis Kons plays Ruby Heart, Mistress of Song. Among the olios will be the Mangindin Family Singers with the plaintive ditty "They're moving Father's grave to make a sewer" to be followed by the equally haunting "Don't get stewed again tonight, dear Father".

"Gadzooks, the Villain" is presented cabaret style with beer and soft drinks to order, and free supply of throwing peanuts is included in the one dollar admission price.

Many students in the district attend summer school each year, and several hundred students will attend school this summer as part of the district's 45-15 day year-round school program at La Presa Elementary, Rancho Elementary, and La Presa Junior High Schools.

SDG&E's Dual Purpose Plant Now In Operation

A dual purpose plant that generates electricity for the San Diego Gas & Electric Company and produces steam for two military installations is now in full operation in San Diego.

Operated by Applied Energy, Inc., a subsidiary of San Diego Gas & Electric Company, the plant is located at the U. S. Naval Training Center and serves steam to it and the adjoining Marine Corps Recruit Depot. The steam is used for cooking, heating and laundry service for about 30,000 men.

The $3 million electric-steam plant is thought to be the first of its kind to provide service for the U. S. Government.

Major components of the plant are a 20,000 kilowatt gas turbine generator, which produces the electricity, a heat recovery boiler that uses the hot exhaust gases from the turbine to produce steam, and a supplementary boiler that provides additional steam for peak use periods.

The gas turbine generator has been in operation since last summer, supplying electricity for SDG&E's distribution system. The steam producing portion of the plant has just been put into commercial operations.

Operation of the new plant eliminates a 40-year-old oil fired boiler steam plant at the Marine Corps Recruit Depot. Another oil fired plant at NTC has been reduced to standby service for use when the gas turbine generator is shut down for repairs and maintenance.

Automatic monitoring and central controls at the new facility enable one man per shift to operate the system.

Senator Wants More Cash For Drug Program

Senator Alan Cranston (D., Calif.) last week appealed for an additional appropriation of $21,120,000 to double the Administration's proposed program to treat drug addiction among returning Vietnam war veterans.

"Any delay in maximum gear-up to treat the thousands of addicted veterans already on the streets or soon to be there following discharge from service would be a national tragedy and disaster after all the rhetoric that has surrounded the drug issue," Cranston told a Senate appropriations subcommittee.

He said the extra money would enable the Veterans Administration to open 60 drug treatment centers, instead of 32, and treat 12,000 addicted veterans instead of 6,000 during the next fiscal year.

Local Girl Elected Girls' State Senator

Karen Segawa, daughter of Mr. and Mrs. Tom Segawa, 7655 San Miguel st., Lemon Grove, and a junior at Mount Miguel High School, was elected to the office of "Senator" from the mythical city of Cabrillo at the 1971 Girls' State held last week in Squaw Valley, California.

The program, sponsored by the American Legion Auxiliary, is an Americanism and citizenship training program where youngsters are instructed in all phases of city, county, and state government.

Two Are Delegates

Two representatives from the Lemon Grove School District have been selected as delegates to the 45th Annual Conference of the California School Employees Association, slated for August 2-6 in Los Angeles.

They are Mrs. Eleanor McCormick, 2629 Bonita st., Lemon Grove, a secretary at Lemon Grove and Palm Junior High Schools, and Mrs. Harriet Kelly, 6105 Broadmoor dr., La Mesa, district purchasing agent. Announcement of the selections was made this week by Gerald E. Heath, president of Lemon Grove CSTA Chapter No. 280.

An estimated 2,000 delegates and visitors from more than 560 association chapters will take part in the four-day conclave, Heath said. Peak attendance will be reached during special "Education Day" activities August 5.

The delegates will represent CSEA's 50,000 membership, which consists of classified school employees from throughout the state.

Major conference activities, including the group's annual election of state officers, will take place at the Biltmore Hotel.

Larry Anderson Named To Publications Position With Grossmont School District

Larry Anderson, 26, was appointed Publications and Information Specialist for the Grossmont Union High School District at a board meeting last week.

Anderson will leave his present position as Coordinator of Publications for San Diego State, where he had associate duties as publicist for fine arts and student activities.

The appointment was made at the recommendation of Dr. Austin Sellery, District Superintendent, who made the selection after interviewing candidates presented to him by a screening committee.

Anderson said he was anxious to begin his new duties as soon as possible, although he expected some transition time would be required to tie up loose ends at San Diego State.

Anderson

"I think this will be an exciting and challenging job; I know I'm joining one of the finest school districts in the state, and I'm excited about the prospects," he said.

Anderson is a graduate of San Diego State, where he was Senior Class President in 1967, and editor of the student newspaper, "The Daily Aztec." Under his direction, the newspaper was selected as the outstanding college or university daily in the state. He was listed in "Who's Who in American Colleges and Universities" in 1967-68 and again in 1968-69.

After graduation, he served for a period of time as editor of the "San Diego Bowling News," before joining the public relations staff at the college in October, 1968. In addition to his public relations duties, Anderson was involved in many campus projects, including authoring a rough draft for the college's application for Phi Beta Kappa membership, and the development of an in-service training program to improve staff morale.

Pony Loop Tourney Underway

Sky-Grove Pony League met La Mesa Pony League yesterday evening at Sky-Grove's Knapp Field in the first round of the district all-star tournament.

Spring Valley Pony League will take on Grossmont tonight at 5:15 p.m., with more games in the double elimination affair scheduled tomorrow, Saturday, and Sunday.

Members of Sky-Grove's all star team include: Mike Paine, Paul Gibbons, and Robbie Taylor, from the champion Lido's team; Joe Martin, Mitch Fortenberry, Dave Gladding, and Larry Gaines, from LG Lions; Steve Purcue and Ray Grove, of Murphy Plumbing; Mark Waters and Steve Corcoran, of Ned's Outboard; Jim Caplan, Faron Collins, and Jaime Lieras, of Ebco Steel; and Paul Dewey, of Hutchison Roofing.

SUMMER CLASS — Many students spend much of their summer enjoying the beaches in San Diego County, but students in Jerry Lipetsky's archeology class spend most of their time digging for artifacts at the Bancroft Ranch House in Spring Valley.
The students have spent the last three weeks at the site, where they had an open house Monday, as part of a seven-week course. The students are all ninth graders who will attend Monte Vista in the fall. Next week, the students will start the last phase of the course by breaking up into two teams and creating mythical societies. Both teams will then create artifacts depicting their respective societies, break them up, and bury them. The groups will then dig up each others artifacts and try to describe the envisioned societies.

Three out of each ten jobs in private employment today are related to agriculture.

Luigi's Gets Help From Arnold to Claim Pennant

Luigi's Restaurant, with a little help from Arnold & Company, split a pair of games last week to claim first place in the Spring Valley Little League.

Luigi's started out on the right foot in its first game, as Russ Palser tossed a near-perfect game, facing 19 batters over six innings of hitless ball. The only mar on the otherwise perfect effort was a hit batter.

Palser's teammates, meanwhile, chipped in with five hits to give him the nod, 2-0.

A day later, Arnold & Company, in third place, got a three-run homer from Gilbert Puente enroute to knocking off pennant-seeking S & H One Hour Martinizing, 7-6. The loss knocked Martinizing out of a first-place tie with Luigi's.

Three days later, Arnold & Company pulled the trick again, as Mike Spitz won a 6-1 two-hitter, while striking out 14 Martinizing batters. The loss dropped Martinizing into a second place tie with Arnold and eliminated the team from the race for the flag.

The next day, Luigi's lost a tough one to Al's Electric, 7-6, but still claimed the loop title.

An earlier game, under protest, was to be replayed if it would have any bearing on the final standings. The game was originally awarded to Luigi's and was counted as a loss for Arnold & Company. If Arnold had won the replay, the two teams would have tied for the pennant and a playoff game would have been needed.

Arnold & Company, however, elected not to replay the game, since two games would interrupt practice for the all-star team, which is to play next Thursday.

In other major league action last week, Spring Valley Shopping Center swept a pair from Kiwanis, and Jackson Supply split two with Kelton Homes.

Shopping Center bats boomed for 10 runs in the first game with Kiwanis to give the team an easy 10-1 victory. The second contest was a bit closer, as Shopping Center needed extra innings to claim a 6-5 win.

Big bats from Jackson Supply spelled disaster for Kelton Homes in the two teams' first encounter, as Jackson took home an 8-2 win despite a four bagger by Rick Doll. Doll took over pitching duties for Kelton Homes in the return match, and tossed a three-hitter in winning, 4-2.

In the intermediate league, Cecil's Hancock took a pair of games to claim the championship with an 8-2 record. Cecil's plastered second-place North Island Test Line, 15-0, and rocked fifth-place Oscar's Drive In, 19-3, to sew up the flag.

In other action, Art's Lumber belted Oscar's, 19-6, and beat Colorama TV, 6-1, while Mary Browne Realtor beat Colorama, 12-11 before dropping one to North Island, 7-3.

In the minor league, Spring Valley Post Office captured the pennant with a couple of wins over Bob's Window Cleaners, 10-9 and 4-1. Pat's Rentals missed a chance to tie for the flag by dropping its first game of the week, 6-4, to the last-place USS Parairie Pirates.

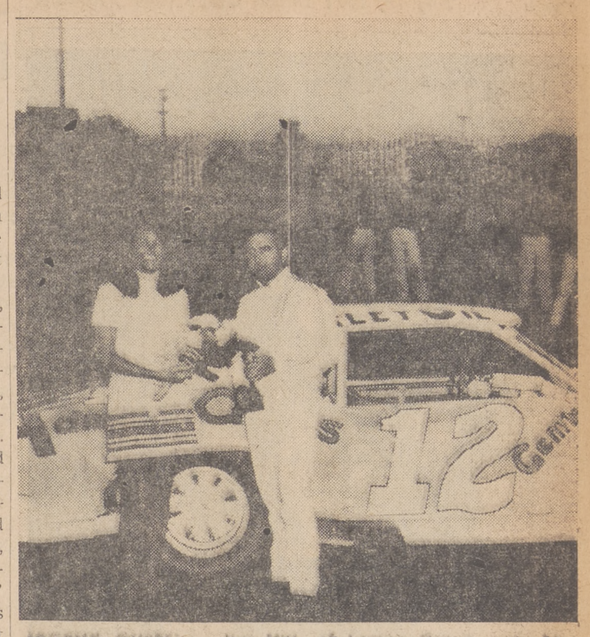
The loss for Pat's eliminated the chance of the team finishing at 8-1-1, which would have forced a playoff of an earlier tie. Had Pat's won the tie, they would have met Post Office in a pennant playoff.

In other games played, Pat's Rentals won their second game with the Pirates, 9-1, Moose Lodge and Jim Niccoll Racers split wto games, and Tea Pot Inn split contests with Colwell Insurance.

Niccoll's Racers upended Moose Lodge, 12-9, but dropped the second game by a 12-5 count. Tea Pot Inn managed to get by Colwell Insurance, 7-6 in the teams' first encounter, despite an "over-the-fence" home run by Colwell's Chris McIntosh. The circuit clout was the first such blast in the minor loop this season. Colwell came back to win the second game, 16-0.

In the rookie league, Polar Frozen Foods claimed the pennant with two wins. Polar belted Shopping Center, 30-11, and got by Boosters, 15-10.

Second place Stroh's Lomita Bowl also won two games last week, 24-4 over last place Fosters Freeze, and 23-14 over Shopping Center. In the week's only other encounter, Boosters squeezed by Foster Freeze, 21-19.



TROPHY QUEEN — Jim Hitt, of Lemon Grove, gets his trophy from trophy queen Karen Hoefer after winning the super stock trophy dash last Saturday night at Cajon Speedway. Hitt, who has five main event wins this season, took second in the main Saturday.

Kimbrell Pushed To Main Event Victory

It took every trick he learned in his 15 years of racing to do it, but Tex Kimbrell, of Imperial Beach, managed to outrace Jim Hitt, of Lemon Grove, to win the 30-lap main event last Saturday night at Cajon Speedway.

Kimbrell, who started 12th in the 20-car field after setting fast qualifying time, moved through the pack with Hitt right behind him for the first 15 laps. Hitt started in the 14th spot.

After 15 rounds, Kimbrell moved into second place behind Sonny Tomlinson, but took over the lead two laps later, with Hitt still seemingly glued to the back of his super stocker.

Kimbrell went high and low and used lapped cars perfectly in holding off five-time winner Hitt. As the two came around the final turn, Hitt literally pushed Tex across for the checkered flag.

The win for Kimbrell, his first of the season, enabled him to move into second place in the point standings behind Hitt, who was the winner of the three-lap trophy dash.

Jerry Osborn, of National City took third in the main event, just ahead of John Borneman, El Cajon, and Richard White, Escondido.

The super stocks will run again Saturday night with qualifying due to start at 6:30 p.m. and the first racing events scheduled for 8 p.m.

Del Mar Club Brightened For 32nd. Thorobred Season

Horse players may think they are in a snazzy San Diego massage parlour when Del Mar starts its 32nd season July 28.

The exoticism is being brought about by a massive improvement program — the first since 1955. The upgrading was shown to members of the Sportscasters/Sportswriters Assn. Monday morning by Teddie Read, public relations director of Del Mar Thoroughbred Club.

The club is spending $500,000 this year with an additional $8 million yet to be spent in years immediately following, it was revealed by track officials.

Several improvements will become immediately apparent to this year's horse enthusiasts. First, there is a sea of carpets. Even the entryway to the betting facilities has been invitingly covered with deep, colorful carpeting

Then there are 5,000 comfortable aluminum theatre-style seats installed in the grandstand section. This took about $200,000 of the total improvement package.

The cafeteria, the Surf Room, in years past designed in early army mess hall, has been completely renovated into a charming dining area. This room has been carpeted, remodeled and refurbished. Large attractive racing murals cover the upper part of the walls.

Finally, the turf club boxes have been redone. Heavy sheets of colorful vinyl plastic replace X-shaped 2x4 barriers. The sheets are held in place with plastic rope ala yacht club decor.

The whole establishment has taken on a new look. A new telephone system is being installed within the facility; the computor system is being updated; odds board improvements will show "exacta" combination odds and a score of additional umbrella tables have been added to the entrance greensward.

Jockey quarters have been improved, too. A new tack room for more than 1,000 "silks" at eye level replaces a ceiling-high arrangements. The jockeys' hospital has been re-equipped and brightened. Their men's room has been modernized. An unusual feature is the height of the urinals which are a scant 18 inches from the floor — fully a foot lower than those in the public rooms.

Brightened, too, is the payoff section. Mr. Reed expressed hope that it will be used more frequently by Del Mar clients this season. M.G.

Chargers To Take Field In 'Sport Night' Event

Coach Sid Gillman and the San Diego Chargers make their first 1971 San Diego Stadium appearance Friday night at the "Be a Sport" night benefit for high school athletics.

Veterans and rookies some 90 strong, the Chargers will bus from their training camp at the University of California at Irvine to the stadium to be introduced to the fans, conduct a practice session and present place-kicking and punting contests.

"We want to make this first a fun night for the fans and secondly a practice session for the team," said Gillman. "I know the fans will enjoy seeing and hearing from some of our new players and rookies."

New veteran players on the Chargers are defensive back Dave Grayson from Oakland, guard Doug Wilkerson from Houston, defensive tackle Kevin Hardy from Green Bay, tight end J. R. Wilburn from Pittsburgh and tight end Pettis Norman, tackle Tony Iiscio and defensive tackle Ron East from Dallas. Among the rookies are two college All-Americas, wide receiver Chuck Dicus from Arkansas and center Chip Kell from Tennessee, and defensive end Leon Van Gorkum from San Diego State.

Stadium gates open at 6:30 Friday night. The program begins at 7 p.m. with ceremonies and band music. The Chargers will be introduced at 7:30 p.m. and take the field for a warmup, individual group practice, full team practice and the special contests.

Activities will be narrated on the field by Al Couppee, sports director of KOGO, and from the press box by Lyle Bond, ports director of KFMB. They also will interview players and notables.

All persons attending "Be a Sport" night will be asked to make a $1 donation (no parking fee). The entire dollar will go to San Diego high schools in the Eastern and Western leagues for athletic equipment and facilities. More high schools will be included in future years.

Tickets are on sale at the Chargers' box office (Gate E) at San Diego Stadium and 44 Savings and Loan offices throughout San Diego County. For those persons unable to attend, contributions should be mailed to High School Athletics, P.O. Box 4338, San Diego 92104.

Over 5,000 Teens Get Citations

More than 5,000 juveniles received traffic citations during May and June, according to Juvenile Traffic Court Chief George W. Ingersoll.

Of the total, 152 citations were issued to county juveniles by law enforcement agencies outside of the county.

The San Diego Police Department issued a majority of the tickets, citing 2,997 teens for traffic violations. The California Highway Patrol issued 1,365 citations.

Disposition of the cases included 269 license suspensions from periods of time from one week to 90 days, and 51 recommendations to the Department of Motor Vehicles for six-month suspensions or revocation of driving privileges.

Ingersoll predicted that the volume of citations would increase considerably in July and August, as these are the summer months when juveniles do a maximum amount of driving, and hitchhiking.

Spradlin Makes All-American Duffer Group

San Diego State golfer Jack Spradlin has been named third team All-America it was announced Tuesday by the National Collegiate Athletic Association Golf Team Selection Committee.

A junior, Spradlin becomes the third Aztec to be accorded All-America honors. Chuck Courtney was a second team selection in 1961 and a first teamer in 1962. Mike Riley won second team honors in 1966 and was an honorable mention in 1967.

"It's not too common for a golfer to make All-America in his first year," commented Aztec coach Frank Scott. "Usually the committee likes to wait a season to see how consistent you are. It's a tremendous honor, not only for Jack, but also for the college."

Spradlin averaged 74.2 strokes per round for 37 rounds this season.

Sperla Edges Tiumalu In Batting Race

Mike Sperla of Mission Van and Storage edged White Construction's Robert Tiumalu by one point to capture the batting championship in Lemon Grove Little League Major division activity this season.

Sperla, who pitched, caught and played both the infield and outfield, collected 24 hits in 54 at bats for a .444 average. Tiumalu, a pitcher and infielder, had a .443 average on 27 hits in 61 times at bat.

Mark Foster of Walker Scott with a .431 mark and Murphy Plumbing's Bruce Franks .413 average were the only other players over .400.

Tiumalu was tops with eight doubles while John Barrow of Walker Scott had five triples and Craig Leonetti of Murphy Plumbing slugged nine home runs.

Tiumalu's 27 hits were a league high as were the 21 walks accumulated by Kevin Carlin of Lemon Grove Lath and Plaster. Barrow and teammate Jeff Mitchell both scored 29 runs to head that category.

Final Averages

Mike Sperla	.444
Robert Tiumalu	.443
Mark Foster	.431
Bruce Franks	.413
Bobby Schneider	.371
John Barrow	.355
Chris Flores	.351

Lemon Grove Little Loop Picks All-Stars

A 17-man squad has been selected to represent the Lemon Grove Little League in District 42 post-season playoff games, according to President Wayne Bell. Team members were picked by a vote of all players who took part in the league's Major division this season.

Three members of the champion Dodgers, Chris Flores, Tom Bolen and Jim Schroeder, were named along with three boys from runnerup Walker Scott, Bobby Schneider, John Barrow and Mark Foster.

Others on the team are Craig Leonetti, Bruce Franks and Mike Neagle from Murphy Plumbing, Robert Tiumalu and John Young of White Construction, Mike Sperla and David Terrell from Mission Van and Storage, Rex Jenner and Tom Parker from Lemon Grove Lath and Plaster, Mark Williamson from Imperial Meats and Mark Jacobsmeier from Food Basket.

Neagle, Jacobsmeier and Bolen are alternates and will be used if any of the other 14 boys cannot participate. All squad members are 12 years old.

Imperial Meats manager Wally Keogh will handle the team assisted by Dodger manager Steve Schroeder.

Lemon Grove is host to the Area IV portion of the District 42 playoffs, July 22-24, at Al Burke Field, 7550 Canton dr. First round action has Lemon Grove meeting San Diego American, July 22 and Luckie Waller facing Southeastern, July 23. The two winners meet for the Area title, July 24.

District championship activity is scheduled at Southeastern, July 29-31.

GI Loan Requests Increase In June

GI Home Loan Applications increased from 4,371 in May to 5,896 in June, Gordon R. Elliott, VA's Southern California Director reported.

Appraisal requests for existing homes decreased from 7,077 in May to 5,959 in June, and appraisal requests for new homes decreased from 3,511 in May to 2,520 in June.

SVWC Wins Pair; Regains First Place

Spring Valley Woman's Club regained first place by winning two out of three games last week in the Spring Valley Bobby Sox League.

O'Dell Realty, winners of only one of two games, dropped back into second after having caught SVWC two weeks ago.

SVWC trounced Johnson Excavating, 17-10, belted Galbreath Realty, 11-5, but lost to Ham's Painting/Easter Plumbing, 17-10.

O'Dell managed to get by Galbreath Realty, 9-8, but missed its chance to take over sole possession of first place when Norm's Gulf picked up a 17-10 win.

In other games, third place Optimist Club won a pair of games, clouting Ham's/Easter, 18-9, and decisioning Galbreath, 22-18. Ham's/Easter won its only other game, 26-17 over Johnson Excavating, and Foster Freeze/Thomas Disposal claimed a 9-3 win over Johnson.

* * *

SVWC sent three players to the all-star team, which was announced this week. Those from SVWC are Sheri Clarke, Deborah Shoemaker, and Debby Whitley.

Other members of the all star team include Melody O'Dell and Lori Chisnell, of O'Dell, Fran Molter and Debra Mails, of Galbreath, Antoinette Puente and Sheri Duensing, of Fosters/Thomas, Kim Day and Sheree Lillard, of Norm's Gulf, Diane Doll and Debbie Herron, of Ham's/Easter, Dawn Sing, of Johnson Excavating, and Tami Ribby, of Optimists Club.

Alternates, who play only if members of the regular all-star team are injured, are Kathy Arrasmith and Kim Arrasmith, of Johnson Excavating, Kathy Richardson, of Galbreath, Denise Barlow, of SVWC, and Sharon Slaugh, of Optimists.

Pool To Be Open

Grossmont College will open its new swimming pool to the public for recreational swimming each weekend during the summer. The pool will be open Friday evenings from 7 to 9, Saturdays from 9 a.m. to noon and from 1 to 5 p.m., and Sundays from 1 to 5 p.m.

A fee of fifty cents for adults and twenty-five cents for youngsters under 16 will be charged to cover cost of pool maintenance. Grossmont College students with a valid identification card from either the spring semester or summer session will be admitted free of charge.

'Charlie Brown' To Leave Stage After Short Run

"You're A Good Man Charlie Brown," the hit Broadway musical based on Charles Schulz' famed Peanuts comic strip, will give its final performance Sunday, July 25, at Vincent Miranda's Off Broadway Theatre.

Acclaimed unanimously by local critics as a highly entertaining stage piece, "Charlie Brown" just was not supported by San Diegans.

"It's run was only seven weeks," says Vincent Miranda, "which was really a surprize when you consider the longevity it enjoyed wherever it played around the world. I honestly don't know why it didn't catch on in San Diego, especially since everyone agreed it was a good show, but you can bet our next production will be more on the order of "Forty Carats" which proved to be our biggest hit to date."

So if you're a Peanuts buff and still haven't seen Snoopy, Lucy, Charlie Brown, Schroeder, Pepperment Patty and Linus; played by Robert Towers, Ruby Dake, Jim Ricketts, Hal James Pederson, Noelle Matlovsky and David Holmes respectively, there is just a short time left to do so.

"You're A Good Man Charlie Brown" plays Tuesday through Saturday at 8:30 p.m. with matinees Saturday and Sunday at 2:30 p.m. Sunday evening performances are at 5 p.m.

Tickets for "Charlie Brown" are available at the Off Broadway Theatre box-office, by mail order, or telephone reservation. The theatre is located at 314 F street in San Diego, telephone 235-6535.

SC1stNat-Newport Nat Merge; Blakemore Resians as President

Shareholders Friday approved a merger of Southern California First National Corp. and Newport National Corp. both one-bank holding companies.

SCFNC has assets of $751,448,000 and its principal subsidiary, SCFNB has 60 banking offices in San Diego, Orange and Los Angeles Counties. Newport National, with assests of $86,500,000, has nine offices, all in Orange County.

In other action Friday, SCFNC elected Alden W. Johnson, who is president and chief executive officer of SCFNB to succeed Claude C. Blakemore as president of the corporation.

Blakemore, 62, president of First National from 1964 through 1970 and president of the parent holding company since its inception in 1969, will devote time to his other business interests. He has been with the firm 26 years.

He said Friday that he has agreed to remain on the SCFNC board of directors and to serve as a consultant to both the bank and the holding company.

A mid-year report released Friday by First National Corp showed an increase in net income and a decrease in income.

Net income totaled $2,570,654 or 80 cents per share, up from $2,462,597 or 78 cents per share in 1970. Income before effect of securities transactions was $2,175,832 or 68 cents per share, compared to $2,630,807 or 74 cents a share for the first six months of 1970.

SCFNC Chairman Robert O. Peterson attributed the drop in operating income to a decline in loan demand and interest rates while bank deposits were rising to a record high.

SCFNB deposits totaled $592,024,685 on June 30 in comparison with $542,804,700 the year before. The bank's loan portfolio was $377,751,134, while the mid-year total in 1970 was $397,174,575.

At Friday's board meeting, directors of the corporation voted the regular quarterly dividend of 17½ cents a share, payable August 1 to shareholders of record July 20.

Tom Jones Due Here In August

A new "Tom Jones Show", starring the Welsh superstar, will be presented at the San Diego Sports Arena August 21. Mail orders are now being filled at the Sports Arena Box Office.

Jones will present a barrage of popular tunes from his 13 high-acclaimed London Records albums, including some of the latest favorites from his current LP, "She's A Lady". Penned by Paul Anka, "She's A Lady" was originally released as a single which soon climbed to the top of the popularity charts.

His local date is part of his 1971 six-month tour of the United States and Canada.

A strong supporting line-up will round out the Tom Jones revue. It will be headed by The Blossoms, a vocal trio often featured as guest artists on major TV shows; Pat Henry, comedy star; Johnny Spence, Tom's own musical conductor, and a 30 piece orchestra billed as the Jeff Sturges Universe.

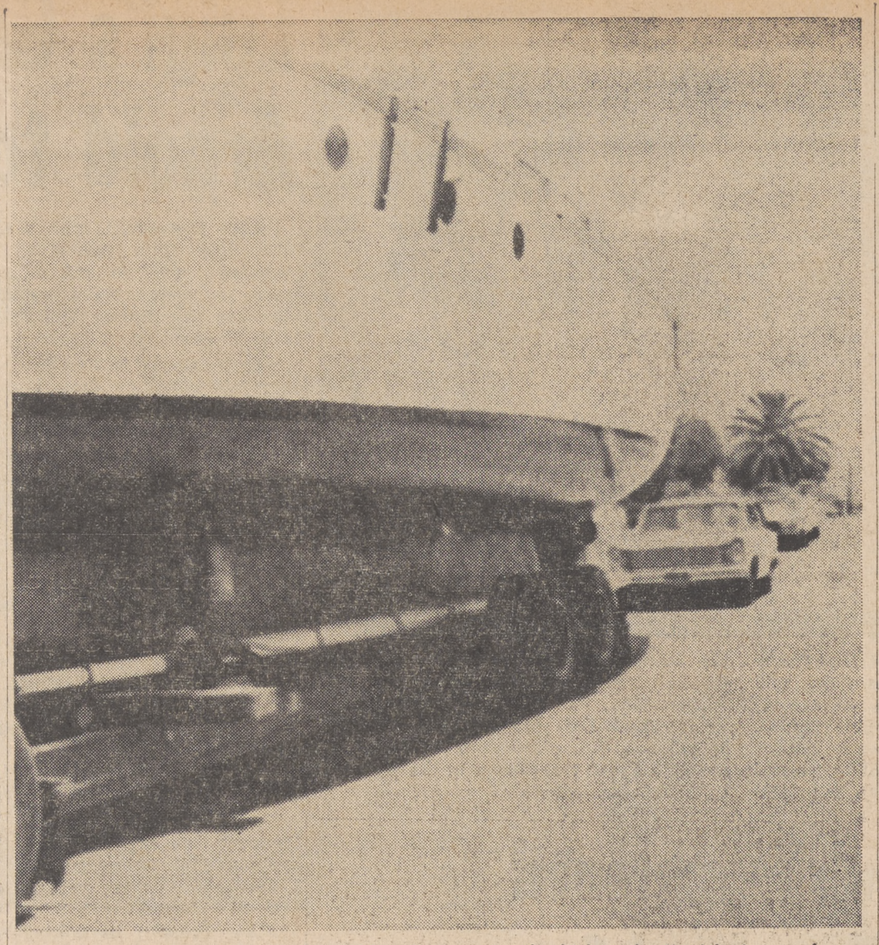
Pair of Groups Set For Concert Saturday Night

Two pop groups, one a rock trio and one a blues-gospel pair, will be on hand at the San Diego International Sports Arena Saturday night for a casual concert.

Delaney and Bonnie, the blues-gospel singers, bridge the gap between rock sounds of today and "foot-stompin' country blues". They got together in Los Angeles and have recorded albums with Elektra and Stax Records.

Emerson, Lake, and Palmer is the result of three groups that disbanded. Each of the musicians came from an English rock group. The group has cut two albums, "Emerson, Lake, and Palmer", and a new album, "Tarkus."

Tickets are $4.75 and $5.



HIGH AND DRY — Minnick Specialties, in Lemon Grove, can be counted on to supply a boat to cruise the streets of Lemon Grove every few months. This one, a 46-foot motorsail which took Minnick six months to re-build, headed for the water Tuesday afternoon. And, of course, even a 16-ton vessel must obey the traffic laws.

College Set For Biggest Enrollment

With over 10,000 applications for enrollment already received, Grossmont College is girding for the largest enrollment in its history when more than 12,000 students are expected to register for the Fall semester. Grossmont College has had an average increase in day and evening enrollment of 26% for the last three years, straining college facilities to the maximum.

Prospective new students of the Grossmont Community College District are urged to apply now and be programmed for Fall classes. With registration priority based on application date, it is important that new students make application for enrollment as early as possible to ensure that they may register in the classes of their choice. Continuing students should file proposed programs as early as possible that will best fit their educational needs.

Deadline for filing applications for enrollment in the Fall semester is Wednesday, August 25. Registration will be by appointment only commencing September 2. Application for enrollment must be made in person in the college's admissions office.

Additional information on courses and programs scheduled for the Fall semester are available in the Grossmont College catalog and Fall semester schedule of classes for sale in the college bookstore.

'Swing Era' Rejuvenated In Actors Quarter Play

By Lee Sinclair

The "swing era" has been recaptured by "Goodbye My Fancy", a romantic comedy by Fay Kanin, which opened Friday evening at the Actors Quarter, 480 Elm st., San Diego.

Originally written shortly after WWII, the stage play tells of how an attractive congresswoman is foiled by a magazine photographer when she returns to her alma mater to receive an honorary degree and renew a 20-year-old romance with the college president.

What could have been a delightful and thought-provoking evening really only came alive when Bob Ross, playing the role of photographer Matt Cole, was on stage. Playing opposite Ross in the other lead roles were Mary Davis as Agatha Reed and Jack White as the college president.

Another bright face on the stage was that of Barbara Muir, playing the role of "Woody", Miss Reed's secretary. One of the play's better scenes was when Cole confessed his long-standing love for Agatha to her secretary.

Portions of the play sagged because of poor vocal work on the part of Miss Davis and several girls who played college students.

Outstanding performances were given by Jan Cotten, who played the dean in charge of graduation, and Lemon Grove's Ginger Cody, who portrayed Professor Birdeshaw, a "virgin sex-educator."

Miss Cody, who is also executive director of the theater, also handled set design and costumes for the production.

Future performances of the production, which plays Friday and Saturday evenings through the summer, should improve as "opening night jitters" disappear and vocalizing improves.

Miles, Baldry Due For Convention Hall Date

By Lynn Jones

Buddy Miles and John Baldry will appear at 8 p.m. Saturday in the Convention Hall.

Miles began performing in South Dakota with a group called the Ink Spots. Later on he played the drums behind Wilson Pickett. With the suggestion of a friend, the Electric Flag was formed with Mike Bloomfield, which broke up soon after. The Buddy Miles Express was formed and successful in making two Mercury albums.

Lynn Jones

Next, Miles played with Jimi Hendrix' Band of Gypsies for a short time and then formed a nine-piece band which played on the Leon Russell show last month at the Sports Arena.

The band includes Andrew Lewis, clarinet and organ; Marlo Henderson, guitar; Lee Allen, trumpet; Phil Wood, flugelhorn; M[illegible] Williams; tenor saxoph[illegible] Hogin trombone and electric piano; Charles K[illegible] guitar; and Dave H[illegible]; with Miles on the d[illegible].

Bald[illegible] been around for awhi[illegible] has been credited with starting a number of British r[illegible] singers on their way up, like Mick Jagger, (the Rol[illegible] Stones), Rod Stewart, (Faces), and Elton John, (the fo[illegible] Reg Dwight).

During his travels, he almost [illegible] a hit called "Don't Try to Lay No Boogie Woogie, on the King of Rock and Roll." This single is a part of his first Warner Bros. album "It Ain't Easy." He just recently signed a recording contract for Warner Bros. early this year.

Emerson, Lake & Palmer will make their San Diego debut at 8 p.m. Saturday night in the Sports Arena. Delaney & Bonnie & Friends will have second billing at the concert.

The headlining act is made up of former members of King Crimson, Atomic Rooster, and the Nice. Members include Greg Lake, former vocalist and bass player for the Crimson; Carl Palmer, the drummer from the Rooster; and Keith Emerson, the guitarist from the Nice.

The group was formed last December when all were playing in their respective groups. Most of the new group's material is written by Pete Sinfield, the former lyricist for Crimson.

The group on second billing includes Delaney Bramlett, ex-member of "Shindig's" Shindogs group, and Bonnie O'Farrell who was once an Ikette with the Ika and Tina Turner Revue. The friends are whoever happen to be around.

* * *

"Hello, Dolly!" will open for a six-day run starting July 20 in the Civic Theater with Pearl Bailey and Cab Calloway as the stars.

Miss Bailey has received a Tony Award for her version of Dolly. The show itself has earned about ten Tonys plus the Drama Critics Circle Award for the best musical of the 1964-65 season. Altogether the show has estimated to have grossed more than $100 million.

* * *

"Alice in Wonderland," the play for children, along with "Winnie-the-Pooh" will be presented at 2 p.m. Sunday in the Mesa College Apolliad Theater.

* * *

"Goodbye, My Fancy," the Faye Kanin comedy, will be presented by the Actors Quarter, 480 Elm Street, at 8:30 p.m. Fridays and Saturdays through August 14.

* * *

"Witches Brew" will be presented by the Actors Quarter Children's Theatre, 480 Elm Street, at 2 p.m. Saturdays and Sundays through August 15.

Department of Agriculture Works To Protect Consumer, Producer

Remember when every apple was expected to have its worm — and every ear of corn to have several? A box of strawberries to have big, juicy berries on top and small, green ones on the bottom? And every dozen eggs to have at least one that was too old to eat?

Today, produce and eggs are expected to be free from defects, fresh, and uniform. The occasional worm is cause for surprised comment.

These improvements are due in large part to the San Diego County Department of Agriculture, protecting the agricultural consumer and producer in the County for nearly 80 years.

"San Diego County has a relatively clean environment as far as harmful pests are concerned — insects, bacteria, animals, weeds," according to James Moon, Agricultural Commissioner for San Diego County. "We want to keep it that way, to prevent plant and animal diseases and other pests from getting established here."

The present department began with the appointment of a County Horticultural Commissioner in 1893. It became the County Department of Agriculture in 1919; control of natural resources and watershed management are recent assignments.

"Our responsibilities go far beyond what most people think of as agriculture," said Moon. "We help with the filing of mining claims; register and inspect bee hives and help with control of disease in the apiaries; do extensive work in improving and developing watersheds; help control harmful weeds; inspect and certify seeds; check standardization of fruits, nuts, vegetables, eggs, and honey; register and inspect all licensed pest control operators. And of course, we're constantly on the watch for all types of pests and diseases which might affect our flower, fruit, vegetable, and egg production."

Agriculture is San Diego's fourth largest industry with a value last year of over $14 million. This protection is vital.

With summer planting and harvesting in high gear, emphases right now are continual vigilance against pests and disease, and inspection of packed fruits and vegetables, both locally grown and those shipped in from other states, to be sure they meet California standards. Plant specialists from six branch offices — Chula Vista, El Cajon, Escondido, Fallbrook, Ramona, and Vista — are constantly on the go visiting fields, orchards, and packing houses.

"For instance," said Moon, "the cool, damp spring this year has caused special problems with fungus and bacteria. A steady stream of cuttings from diseased trees and plants is coming in to the plant pathology laboratory for analysis. When the disease is identified, our specialists work with the grower to get rid of it."

As crops ripen, the big question is when to pick. Fruit must reach a certain level of development before it will continue to ripen after picking. State regulations spell out these maturity levels — avocado meat must contain at least eight percent oil; tomatoes and berries must have a certain amount of color. Standards of size uniformity and freedom from defects must also be met by all packed produce.

To enforce these standards, agriculture specialists go into packing houses, wholesale warehouses, and retail groceries, taking random samples. Last year, of four and one-half million containers inspected, less than one-half of one percent were rejected. Produce from other states must also meet these standards.

All plants shipped into the County are quarantined and inspected, including those coming by mail.

PICKING TIME — Joseph A. Knott, an agricultural biologist with the San Diego County Department of Agriculture, inspects tomato plants in a local field. Plant specialists from the Department of Agriculture regularly inspect fields and orchards from planting through harvesting to find and eliminate any pest or disease problem before it reaches serious proportions.

Reagan Here July 23 For GOP Fund-raiser

Governor Ronald Reagan is to be the featured speaker for a fund raising dinner in San Diego for the first time in three years.

The dinner, sponsored by the Republican Central Committee of San Diego County is scheduled to be held on Friday, July 23, at the Convention Center in Mission Valley.

RAdm. Leslie Gehres, Chairman of the Republican County Central Committee, has said he expects more than 1,000 local supporters to attend the $100-a-plate affair.

It has been announced that seating will be determined on a first come-first served basis.

Those interested in obtaining information or tickets should contact George Hancock at 232-6701 or write to Room 440, San Diego Trust and Savings Building, San Diego 92101.

More Letters

Dear Editor:

On behalf of the students and faculty of the Jamul-Las Flores Union School, may I express our appreciation for the support and coverage that you gave our students and school this past year.

The publicizing of our Student Council, Parent-Teacher Association, Teacher Club activities and other aspects of our school program was very much appreciated. The excellent publicity given our students who qualified for the Presidential Physical Fitness and Marine Corps League Physical Fitness awards, Honor Roll, citizenship and other school activities, was very stimulating and rewarding to the students.

We are fortunate to have a publication in this area dedicated to the positive aspects of our youth and schools.

Very truly yours,
William M. Whitley,
Principal

Supervisors Eye Spending

(Cont'd. from Page 1)

personnel. Duffy had proposed that the extra help be replaced by regular employees.

The sheriff's budget does not contain one single additional patrol deputy. Duffy's original budget had 18 more patrolmen in it, but these did not survive the CAO cuts.

Supervisor Henry A. Boney called the cut of the sheriff's budget "irresponsible." Boney is a budget cutter of no mean ability, but even he could not take cutting the staff of the overcrowded jail.

Scheidle had an inspired method to cut the budget and it was not clear whether he was kidding or not. He said that if the county did not hire more deputy sheriff's there would be fewer arrests.

This would mean less pressure on jail space and court time, he said.

Sheriff John Duffy was not amused.

D.A. Refiles Molest Complaint On Lemon Grove Navy Non-Com

SAN DIEGO (CNA) — A complaint against a Lemon Grove man on charges of child molestation was filed Tuesday by the district attorney's office, a day after Superior Court Judge Hugo Fisher dismissed the same charges against him.

Steven Richard Kowalski, 33, of 8054 Solana st., Lemon Grove, a 16-year Navy noncom., was indicted by the grand jury on May 12 on six molestation counts, involving his own two daughters and the daughters of neighbors.

Kowalski went on trial before Judge Fisher on June 18, after Judge William T. Low, presiding judge of the criminal division, refused to dismiss the charges.

At the trial, Judge Fisher ruled that the evidence by a six-year-old daughter was not competent and that a three-year-old was too young to testify. The neighbor's children, eight and nine, were the principal witnesses.

During the trial, it was disclosed the alleged molestations took place near year's end. The charges were brought against Kowalski by his own wife, who also asked neighbors to question their children about her husband.

After taking evidence, before final arguments, Judge Fisher first declared a mistrial and then overrode Judge Low's refusal to dismiss the charges. He said he agreed with Roy W. Paul, of Defenders, Inc., representing Kowalski, that the indictment was flawed by lack of instances.

Connolly Admitted To World Campus Afloat

John Allen Connolly, son of Mr. and Mrs. Mike M. Connolly, 6721 San Miguel, Lemon Grove, has been admitted to the World Campus Afloat program of Chapman College for the fall 1971 semester at sea.

Connolly will join 500 other college students representing 200 colleges and universities in nearly all the 50 states on Sept. 3 to board World Campus Afloat at Los Angeles for a study-voyage to ports in the South Pacific, the Orient and Africa.

Minor Consent From Program Drive Set

The minor consent form program of the Grossmont Hospital Women's Auxiliary will undergo another drive for completed forms when school resumes in the fall, it was announced.

The program is a free community service sponsored by the Auxiliary so youngsters can undergo treatment even when their parents are not available.

A California State Law prohibits treatment of youngsters, even in an emergency situation, without the consent of the parents or an agent of the parents.

The consent forms, when completed, list the names of friends, relatives, or physician to act as agents to give consent for treatment. The forms also include vital statistics and special medical information about the subjects.

In this way, if an injured or ill minor is in need of treatment and the parent is not available to give consent, a close friend or relative can be contacted, and prompt treatment can be provided.

About 8,000 completed forms are now on file at Grossmont Hospital, with a distribution planned for the fall. The files can be used for treatment at Grossmont Hospital or any other hospital.

A planning session has been scheduled for September 23 so that other community hospitals can start programs of a similar nature, according to Grossmont Auxiliary President Mrs. Ivan Bodine.

Traffic Flows Again On Seventieth Street

Seventieth st., a major link connecting University ave. with State 80, is now open.

It has been widened to four lanes between University and El Cajon blvd. and until reconstruction began, it was carrying 16,000 cars a day. It has been partially closed for six months while the $225,000 project was underway. The work included four lanes of travel, parking, installation of beige colored sidewalks and a traffice signal at Tower st.

The area is residential and where retaining walls were built, beige slumpstone was used to beautify the project.

Thirty-seven purple plum trees have been planted along the improvement which is wholly within the City of La Mesa.

S.D. Trust & Savings To Open Branch Here

San Diego Trust and Savings Bank will be the newest addition to the financial community in Lemon Grove, it was revealed this week by Thomas W. Sefton, the firm's president.

The facility will be built at the north east corner of the Alpha Beta Shopping Center at Broadway and Massachusetts and will be occupied early next year.

The firm also reported an increase in earnings for the first six months of the year. Its income of $878,808 was an increase of 6.3 per cent or $1.76 a share. Per share earnings reflect the 25-1 stock split which took place late in 1970.

Sefton said second half earnings should improve due to increased loan portfolios and higher investment yields.

Since June 30, 1970, deposits at San Diego Trust increased 17.6% from $176,139,223 to $207,184,853. Loans increased 20.8% from $111,574,371 to $134,836,391, and total resources increased 17.1% from $198,556,633 to $232,464,370.

San Diego Trust currently has five new branch locations approved by regulatory authorities.

Mount Miguel Drama Group Plans 3 Plays

Students at Mt. Miguel High School's summer drama workshop will offer three productions in the school cafetorium the last week of July and the first week of August.

There will be 10 performances in all, with an 8 p.m. curtain assigned for each. Two of the productions are original works, and the third is "The Prime of Miss Jean Brodie" by J. Presson Allen.

John Adams is the instructor for the workship, which has students from throughout the Grossmont Union High School District.

The first to be performed will be "Devil's Triangle," an original work by Mike Garcia based on the writing of Edgar Allen Poe. Performance dates will be July 26, 28 and 30.

The second offering will be "Rock of Ages." Performances will be July 27, 29 and 31.

Nutritionist Dr. George Mann, Vanderbilt University, said: "More Americans are malnourished because of ignorance and misinformation than because of poverty."

'Little Italy' Opens Again

The "Little Italy" in Spring Valley has been re-opened.

The Italian restaurant at 1125 Sweetwater rd., which serves eleven varieties of pizza, several types of sandwiches, and spaghetti, opened last month under new management after being closed for about 8 months.

The new owners, Bill and Betty Scragg, bought the shop May 15 and opened in June. Hours are from noon to midnight Tuesday through Sunday.

The Scraggs, who have lived in Lemon Grove for about a year, are new to the pizza business, according to Mrs. Scragg.

Board of Supervisors Orders Lot Split Ban

SAN DIEGO (CNA) — No more lot splits, the Board of Supervisors decided on Tuesday.

The board adopted an urgency ordinance banning further lot splits and the law took effect immediately as it gained the necessary four votes, that is, all of the members present.

The law requires that all divisions of land into four or fewer parcels be made by subdivision map or parcel map.

Planning Director Dan Cherrier told the board that the regulations will probably be changed in the near future after the citizens' ad hoc committee reports back after further consultation with the staff.

The committee is expected to produce a method of land splitting that has tighter controls than lot splits, but that is also not as costly as the subdivision process.

Cherrier said the department received 14.3 lot splits a day in June, up from 9.2 from January to May. He said the department cannot adequately handle the workload within legal time limits.

It was on June 3 that the board sent the proposal of the committee back to committee and it is obvious that this alerted quite a few people to the probable new rules.

Splits of two and a half acres or more and divisions of land involving property where special circumstances make the filing of a subdivision or parcel map impossible or extremely impractical are exempted from the new rule.

The board came close to banning lot splits at the June 3 meeting and, instead, asked Cherrier to keep tabs on the number of applications being filed.

There was no discussion on the item. Supervisor Jim Bear was absent.

Lipizzan Stallions In 3-Day Show in S.D.

The difficult "Airs Above the Ground" maneuver is one of many equine feats that more than a dozen rare Lipizzan stallions will perform in the "Wonderful World of Horses" show July 22-25 at the Community Concourse.

Spectators will also see Conversanos-Aleros perform the "levade" for a full five seconds. In this maneuver, the stalion rears back on his hind legs and then brings his fore-legs under his chest.

The Lipizzan breed, which now numbers no more than 1,000, is known for its exceptional sturdiness, beauty and intelligence. The Lipizzaner is the result of centuries of crossbreeding of Spanish, Italian and Arab-Oriental bloodlines.

The "Airs Above the Ground" maneuver was first used by nobles serving with the Austrian royal family of Hapsburg. As a tactic of war, riders leaped their horses against foot soldiers to inspire fear.

The horses were first bred by Spanish Moors from Andalusian, Arab and Vilano stock and the line remained essentially stable for the 700 years of the Moorish occupation.

During the Renaissance, the art of classical riding was revived and several European countries established studs to preserve the Spanish strain. Emperor Maximilian, II brought the Spanish horses to Austria in 1580. His brother, Archduke Charles, established a similar stud in 1590 at Lipizza near Trieste in Yugoslavia.

Bad Checks Trip Man

SAN DIEGO (CNA) — A Spring Valley construction worker who pleaded guilty to cashing checks without sufficient funds was put on probation for five years Thursday in Superior Court.

McRoy Trim, Jr., 20, of 3781 Bancroft dr., was ordered to pay a fine of $100 and make restitution of $244.09.

Trim pleaded guilty on May 20. He explained that he was due $250 in commission for the sale of a swimming pool and cashed the checks in expectation of getting that money. The offenses occurred last fall, and he has been at liberty on bail.

Drug Seminar Set

The San Diego American Red Cross auditorium will be the site of a two-hour seminar on Drug Awareness. The program will be presented by SPO Billy Smith, USN and his drug-detecting dog, Heidi. Chief Smith and his dog travel around the country holding sessions on current drug problems.

The seminar will be held Thursday, July 22 7-9 p.m. at 3650 Fifth ave. It is open to the public and anyone over 15 years of age is invited to attend.

The session has been limited to 150 people. Interested persons should call 291-2620, ext. 272 to register.

Annual Sand Castle Contest Due July 18

One July day each year, dragons, mermaids, turtles walruses, an octopus, and other creatures of the deep can usually be seen standing vigilance over beach-plot estates on San Diego's Mission Bay Park.

The creatures, sculpted from sand, have accompanied the many traditional sand fortresses constructed during Mission Bay's annual sand castle contest.

This year's contest will be held on Sunday, July 18, from 9:30 a.m. to 2:30 p.m. along the bay's Crown Point Shores. Entrants are assigned a small plot of sand, or "estate," and each then sculpts, designs and builds a finished sand creation. There is no charge to enter the contest. Registration will take place between 9:30 a.m. and 10:30 a.m. Estates will be assigned on a first-come basis.

Prizes will be awarded for the best entry in each category. Categories are: 5 years old and under; 6 to 12 years old; individuals over 12; and groups. Judging will begin at 1:30 p.m. and awards will be given at 2:30 p.m.
